

Do you think, to be famous, a person needs to have some special talent (or ability)?

I don't think so. In the present society. People doesn't necessarily need special talents to become famous. If they have good looks, they can become famous with effective marketing and promotion.

Who is your favorite celebrity in China?

It's Faye Wong, who is a famous singer. She is a unique woman with a strong character. She lives a life according to her own will. At the same time, she is a very loving person who does a lot of charity work.

Would you want to be a celebrity in the future?

Actually, I don't. Being a celebrity means a lot of pressure. A celebrity has to be very careful about what he says or does, because his words and behaviors can make news easily.

In general, how do people become famous?

Generally, when people with talents are discovered by a talent agency, they can have a chance to show themselves to the public. They become famous when they become popular among people.

What kinds of people become famous?

People with an exceptional physical appearance can gain their fame through some marketing and promotion on the social network and media.
