

Is it difficult to cook Chinese food for you?

No, Chinese food is very easy and simple to cook. Most Chinese foods consist of vegetables and meat, my favorite ingredients used are just oil and salt. The most common way of cooking is to stir-fry, which is quite easy.

Do you want to learn how to cook?

I have already learned how to cook, but I do want to learn how to cook traditional or international meals that look tasty. That would be a good experience to enjoy.

Who taught you how to cook?

I learned how to cook by watching my mum. She would always explain certain things and techniques to me so that I could be really good, and I learned about what are the best ingredients to use from her.

Do you like cooking?

Yes, I do enjoy cooking. I think it's great to experiment with the different flavors and I think it's a lot of fun to be in the kitchen and to create different meals and combinations.

Have you ever cooked?

Yes, I have cooked many times before. I usually cook at home to prepare my lunch and snacks for work or school the following day. I do this quite regularly. Sometimes, I also cook for others when there is a chance.
