

**Where you plan to go for holidays in the future?**

I really want to visit Taipei where I can enjoy lots of amazing food. I've seen quite a few TV programs introducing authentic Taiwan food there, so I have already prioritized it as my next destination for holiday!

**Who would you like to go on holiday with?**

I like to travel alone. A holiday for me is a great opportunity to take a break from work and study. I don't want to be bothered by others. Besides, I'm a quite independent person, so it wouldn't be a problem for me.

**What kinds of places do you like to go on holiday?**

I like to go to coastal areas where I can go surfing or go swimming in the sea. Besides, having a seaside barbecue is my all-time favorite. Big cities can be an alternative as shopping experience is usually exciting in a big city.
