
Describe a place you plan to travel to that is far away from your home.

You should say:

Where it would be;

How you would like to go there;

What you would do there;

And explain why you would like to go there.

Sometime in the future, I would like to travel to the United States. Specially, I'd like to visit my cousins in Georgia.

I need to really save up to buy a ticket to ride a plane to take me there.

I would stay with my cousins so that I wouldn't have to spend on a hotel. I'd like to be able to take a road trip with them. We could visit different states. I would like to try camping with them for a few days too. They say it's fun to camp in the woods and fish at the lakes. Maybe I could also visit my uncle who lives in Idaho. He always tells me that if we visited him, we could go hunting for deer.

I would really like to go there to visit my relatives. I think it would also be fun to go to Los Angeles. My friends say it's the best place to meet a celebrity. I'd like to meet a movie star.
