

**Do you drink bottled water or water from water machines?**

I usually drink the water from water machines. Bottles water can be expensive. Last time, I bought some bottles water which cost me a lot of money, and I really regretted.

**What kinds of water do you like to drink?**

I like to drink hot water, which has been a habit for me since middle school. Hot water makes me feel good and energetic all the time.

**How often do you drink water?**

I drink water every two hours. I try to drink more in summer as I get dehydrated quickly whereas in winter, I may drink water every three hours I guess.
