

Do you keep plants at home?

Yes, I do. Keeping plants at home is a great way to make the house more beautiful. We can also be closer to nature if we have plants around us in the house.

Do Chinese people send plants as gifts?

Yes, we do. Plants, especially flowers, are very popular gifts. People send flowers when they visit patients in the hospital. They can also be romantic gifts for lovers.

Do you know anything about growing a plant?

I only know the basics. For instance, I should weed regularly and trim the branches. If the plant is grown in a pot, then the soil should be changed regularly.

What plants did you grow when you were young?

I grew different kinds of cactus when I was a kid, such as ball cactus and barrel cactus. They were very easy to grow since I didn't need to water them very often.
